Important events to be reported: Establishing a partnership with the Bucharest University of Agronomic Sciences and Veterinary Medicine (USAMV)

The management of Norofert SA informs the investors about signing a strategic alliance with the Bucharest University of Agronomic Sciences and Veterinary Medicine (USAMV Bucharest). Through the partnership, Norofert and USAMV will bring science into the economy by jointly developing innovative agricultural products and services, to be sold on both the European single market and the global market.

The partnership between Norofert and USAMV is focused on two axes – applied research and internationalization. The collaboration entails that USAMV researchers will develop with Norofert new products that meet the needs of organic agriculture, that will be then marketed and sold on all markets of Norofert's activity, including in the United States of America. Additionally, Norofert will collaborate with USAMV on educating and training University's students for purpose of equipping them with the required skills for the challenges of the present labour market.
