Important events to be reported: Submission of an EU financing project for Integrated Centre of Biotechnology and Soil Science

The management of Norofert S.A. (hereinafter referred to as “the Company”) informs the shareholders that it has submitted a project proposal for accessing EU funding for the creation of an Integrated Centre of Biotechnology and Soil Science (Romanian: “Centru Integrat De Biotehnologie si Stiinta”). The EU funding is available under 2.2. A Investment priority programme of ROP 2014-2020: “Supporting the creation and expansion of advanced production capacity and services development”. The value of the project submitted by the company has a total value of RON 12,737,849.61 without VAT. The co-financing component of the project to be covered by Norofert, if it is approved, is 30%.

The centre will be specialised in three types of analyses: soil analysis to determine nutrient deficiencies on farms, necessary for accurate recommendations regarding plant nutrition and protection, analysis of the drinking water and water used for irrigations, the latter being essential to increase the efficiency of inputs, as well as multi-pesticide analysis of organic crops, mandatory for organic farmers to certify the absence of any trace of conventional pesticides.
