## 1. Product content / compliance

- Blood meal (dehydrated)

## 2. Physical/chemical properties

**BIO OSTARA N** comes in shape of brown pellets, with a specific smell.

## 3. Action mode / Description

BIO OSTARA N is a product manufactured in accordance with Regulation 889/2008, Annexes I and II.

BIO OSTARA N contains NON-GMO dehydrated blood meal expressed in organic nitrogen - crude protein.

The nitrogen in the composition of BIO OSTARA N ensures the development of foliage and facilitates photosynthesis and healthy plant growth.

## 5. Recommended dosage

From practical experience and / or available documentation, we recommend the following application dosage:

### LARGE CROPS / MISCELLANEOUS VEGETABLE CROPS

150-200 KG / ha administered in full vegetative stage

75-100 kg / ha at sowing
