**Important events to be reported:** Availability of the 2021 Non-Financial Sustainability - Environmental Impact and ESG Report

The management of Norofert S.A. (hereinafter referred to as “the Company”) informs the market about the availability of the Company’s 2021 Non-Financial Sustainability - Environmental Impact and ESG Report.

The Non-Financial Sustainability - Environmental Impact and ESG Report is composed of two parts: the first documents the positive impact on the environment, generated by the Company's business model, while the second concerns the report with the environmental, social and corporate governance rating (ESG). The rating was provided by Sustainalytics (Morningstar) and its generation is a premiere for a company listed on BVB's AeRO segment, its publication thus raising the reporting standard.

The Company was classified in the chemical industry, the agro-chemical sub-industry, where, for the first year of ESG rating, it received the score of 35.8, currently being ranked 17th out of 56 companies internationally.

In addition, the Company aims to further expand its positive impact on the industry through concrete steps, aiming at climate neutrality in operations, according to ESG requirements, publishing sustainability reports on an annual basis.

The report can be accessed via the Company’s website, [www.norofert.ro](http://www.norofert.ro), Investors / Sustainability section, at the link: <https://norofert.ro/wp-content/uploads/2023/02/EN-NRF-ESG-Report-2021.pdf>.
